KIPP NYC FAMILY AND STUDENT HANDBOOK

Dear Families,

Welcome to the KIPP Infinity Elementary team and family! This is our 8th year, and as a team of families, students, and staff, we are continuing to build the foundation for early education and character together. We commit to helping our children develop the necessary character, academic skills, and habits necessary to succeed in middle school, high school, college, and the world beyond. We believe that by working together, we can provide opportunities to enable our children to grow up to have happy, healthy, and successful lives. We believe that our students can be advocates of change for their communities and the world.

Whether our KIPPsters are in the classrooms reading *A Chair for My Mother*, at the zoo discovering the needs of animals to live and survive, performing at our winter show, or practicing their UNITE values, they truly embody what it is to be a KIPPster. We practice the KIPP Philosophy: Be nice and work hard. Due to the tremendous grit, love, hope, communication, and support of their teachers and families, we know that our KIPPsters will do amazing things. We are excited about their infinite possibilities, and beginning the first KIPP elementary school in Harlem is one step towards achieving those possibilities. These are truly exciting times, and we are happy that you are part of it!

We recognize that these efforts take tremendous discipline and dedication, which can only be done with the joint efforts of families, staff, and our students. Because we value open communication and access to information, we have prepared a handbook regarding the school's structure, attendance, schedule, culture, and academics, along with other pieces of information that we think you will find helpful. Hopefully, this handbook will serve as a useful resource to answer any questions that you may have. Please keep it handy so that you may refer to it when necessary.

We look forward to an exciting and positive year! Once again, welcome to our KIPP team and family, which is filled with the promise of greatness, enthusiasm, love, and dedication. Please feel free to contact us if you have any questions, comments, or concerns.

Thank you for your faith and support,

Daisy Salazar-Garza, Principal

ABOUT THE SCHOOL

KIPP Mission

KIPP Infinity Elementary School’s mission is to teach our students to develop the academic and character skills necessary to succeed in high school and college, to be self-sufficient, successful, and happy in the competitive world, and to build a better tomorrow for themselves and us all.

School History (“Our Beginning”)

KIPP Infinity Elementary was founded in 2010. This is the first KIPP elementary school in Harlem, but we are not the only KIPP School.

In 2005, KIPP Infinity Middle School opened in West Harlem serving **45 fifth graders**. This year, KIPP Infinity Middle School will serve approximately 350 students in fifth through eighth grade.

KIPP Infinity Elementary School is part of KIPP NYC which currently serves over 4,000 students and alumni at five elementary schools, five middle schools, and one high school.

From the beginning, KIPP has focused on developing academic and character skills. Since day one, the key to our success has been the amazing teamwork of families, students and teachers working together.

School Credo

If there is a problem, we look for a good solution.
If there is a better way, we try to find it.
If we need help, we ask.
If a teammate needs help, we give.

KIPP Infinity Values

Understand
Never Give Up
Imagine
Take a Risk
Explore

KIPP Credo

At KIPP, we believe.
We believe in the creation of inspired lives
produced by desire, discipline, and dedication.
We are not frightened
by the challenges of reality

but believe that we can change our world
and our place within in it.
We work, plan, create, and dream.
Our talent, character, and integrity
will be the tools we need
to build a better tomorrow.
We believe that we can take
this place, this time, and the people here
and build a better place, a better time,
and a better people.
As a team and a family,
we will either find a way or make one.

- Inspired by Providence St. Mel School Motto

Some of what every KIPPster learns during Week 1

We are committed to reinforcing common standards of character and academic performance to create a sense of team and family. We believe that these ideas serve as a great foundation to be carried beyond the years at KIPP Infinity Elementary School . During the first week of summer school every KIPPster learns various songs, sayings and acronyms to reinforce our mission. We constantly refer to these throughout their time at KIPP. Please review with your child and help reinforce these standards in and out of school.

I - Be Nice, Work Hard!!!

II- We are a TEAM AND A FAMILY!!!

III - “This is the room that has the kids who want to learn to read more books to build a better tomorrow.”

Non-Negotiable Expectations for KIPP Infinity Elementary Students

All KIPPsters receive general non-negotiable expectations. Please reinforce these with your child.

- 1) Adherence to the **KIPP Commitment to Excellence**
- 2) Adherence to the **KIPP Credo**:
- 3) KIPP Shirts remain tucked in at all times.
- 4) Be on-task and present at **all** times during class. While anyone is speaking, students must **track the speaker** (see above).
- 5) KIPPsters must complete homework daily to the best of their abilities. Each family and child has the teachers’ phone numbers. Please reach out with any questions.
- 6) Students and families should be reading together every night for 20 minutes.
- 7) Respond appropriately to all questions. Tone, reactions, and non-verbal actions matter.
- 8) Walk quietly and orderly while inside any building.
- 9) We must maintain **integrity** by doing the right thing without being told. KIPPsters are KIPPsters in and out of school. Our actions once we leave the building matter just as much as they do inside of the school building.

The Extended School Year is a critical time to get a head start on the coming school year and as a result all students at KIPP Infinity Elementary School **must** attend school during the summer. Extended School Year will begin for **Kinder on Monday, August 21st from 8:00 am – 12:00 pm and continue from Tuesday, August 22nd – Friday, September 1st from 8:00 – 1:30 pm.**

For **1st through 4th grades** Extended Year will begin on **Tuesday, August 22nd - Friday, September 1st from 8:00 – 1:30 pm.**

This year, school will resume for all students on Tuesday, September 5, 2017. The last day for students will be Thursday, June 21st, 2018.

Vacations/Holidays

Please refer to our school calendar for complete details about our vacation and holiday schedule.

Saturday School/Family Saturdays

On identified Saturdays, all KIPP Infinity Elementary School students are strongly encouraged to attend Saturday School from 9am – 11am with a parent/guardian or a sibling over the age of 18 (see full calendar for identified dates). Students do not need to wear school uniforms on Saturdays. Saturday day School is an opportunity for families and students to come together for school-related activities, events, and workshops. It fosters a sense of community among the families in a grade.

School Closings

If the NYC public schools close due to bad weather, KIPP Infinity Elementary School is closed. Listen to the radio (e.g. 1010 WINS news) or television for the announcement closings/delays of NYC Public Schools. Or, check the Department of Education website (<http://schools.nyc.gov>).

Once the school day has started, school will not be cancelled early due to weather conditions. Parents should feel free to pick their children up early in the case of serious weather conditions.

ATTENDANCE

KIPP Infinity Elementary School students must arrive by 8:00 a.m. Monday through Friday, and remain at school until 4:00 p.m. (1:30p.m. dismissal on Wednesdays). On appropriate Saturdays, school will begin at 9:00 a.m. and end at 11:00 a.m.

The schedule in August will reflect a shortened school day, but these two weeks are part of the regular school year and attendance is mandatory. Any absences or tardies will be counted.

In the *Commitment to Excellence* it states:

1. **Attendance** – We will make sure our child comes to school every day. We will schedule doctor’s appointments, vacations, etc. for days when school is not in session.
2. **Timeliness** – We will make sure our child arrives at school every day on time by 8:00 a.m. We will make sure to promptly pick up our child at the end of the school day, 4:00pm Monday, Tuesday, Thursday, Friday and 1:30pm on Wednesdays.

Absences

All Absences – “Excused” and “Unexcused” – are Considered Absences. Families are expected to ensure that their child is in school.

If your child is going to miss school: Call Ms. Canela as soon as possible. If your child is absent, Ms. Canela will follow up with a phone call that morning.

EXCUSED	UNEXCUSED
Absences will only be considered excused in the following circumstances	<ul style="list-style-type: none"> • Routine doctor’s appointments (Please schedule for when school is not in session -

<ul style="list-style-type: none"> • Attendance at a funeral following a death in the immediate family; • Illness verified by a note from a doctor or parent; • Court proceedings at which the student's presence is required, along with documentation 	<p>ideally Wednesday afternoons after 1:30 PM)</p> <ul style="list-style-type: none"> • Family vacation • Bad weather • Trouble with public transportation • <i>Other reasons for absences may also be considered unexcused by the Principal</i>
--	--

Support Policy for Absences

All absences and tardies are noted on progress reports and report cards. Students are responsible for all missed assignments. Students and families must arrange a way to complete all missed assignments and homework. Since missing class affects academic achievement, repeated absences may be reflected in the student's grades.

At KIPP Infinity Elementary School we pride ourselves on having a partnership between parents, teachers, and staff to provide the best possible education for our children. We are committed to providing families with open and clear communication on your child's attendance throughout the entirety of the school year. The chart below outlines specific action and communication steps beginning at the time when a student reaches a level of absences that warrants an intervention

Cumulative Number Of Absences	Action Step	School Point Person
3 Unexcused Absences in One Quarter	Letter is sent home to the parent/family and a call is made each time a student is absent or tardy.	School Operations Team
8 Total Absences (Excused + Unexcused)	<p>Parent is contacted for meeting with Dean or Director of Operations</p> <p>Dean will work with family to create an attendance plan.</p> <p>Parent given warning about educational impact and the fact that at 10 absences, there will be a promotion in doubt conversation.</p>	Dean or DOO
10 Total Absences (Excused + Unexcused)	<p>Parent is contacted for a meeting with Principal/Designee. Student will miss out on extracurricular activity and/or performances.</p> <p>Attendance plan is updated or revised.</p> <p>Promotion in Doubt conversation is held</p>	Principal/Designee

	and letter is signed by parent/guardian	
15 Total Absences (Excused + Unexcused)	Parent is contacted for meeting with Principal. Student is at greater risk of holdover. Attendance plan is updated or revised.	Social Worker/Principal/Designee
20+ Total Absences (Excused + Unexcused)	The individualized attendance plan will be revisited. ACS may be contacted if staff determines that the child is experiencing educational neglect.	Principal

Important Notes about Attendance

- ❖ If students are not in school at the beginning of the day, and the school has not already been notified of an absence, parents will receive a phone call and letter from the school.
- ❖ If concerning patterns are noted, the Principal will reserve the right to accelerate certain actions and consequences. For example, if a student has 5 absences in a row, a parent meeting may be called to resolve the situation. If a student is absent for several days without parent communication, the school may conduct a home visit or other investigation.
- ❖ If a student has 10 or more *unexcused* absences, the student may not participate in special events, reward trips, or any extra-curricular activities. (Field lessons, which are a part of the curriculum, will not be withheld due to absences.)
- ❖ With the successful fulfillment of an attendance plan, the Dean or Principal's may reinstate the student's privileges to attend special events, reward trips, or any extra-curricular activities.

- ❖ All students who accrue 10 total absences will receive a Promotion in Doubt (PID) letter from the school, regardless of current academic performance or reason for absence. While we understand that there may be legitimate circumstances that may cause a student to miss 10 or more days of school (such as severe illness or family crisis), we believe that in order to be fair to all of our families, we must implement this policy consistently in every situation.

Please note that receipt of a PID letter does not automatically lead to retention. However, students who are absent for 10 or more days miss a significant amount of our academic program, and chronic absenteeism can cause students to be ill-prepared for the next grade. We therefore believe it is important to have this conversation with families early to ensure transparency and clear communication among all parties.

Tardies

Be On Time. Getting to school on time is key to your child's success – at school and in life. Our doors open at 7:40 AM each morning. Students must arrive between 7:40 AM and 8:00 AM. **Students arriving even 1 minute after 8:00 AM are marked tardy.** If you know your student will be tardy, please call Ms. Canela.

As is the case with student absences, if a concerning pattern of tardies is noted, the Principal will reserve the right to accelerate certain actions and consequences. For example, if a student has 12 tardy days in a row, a parent meeting may be called to resolve the situation. If a student is tardy for several consecutive days without parent communication, the school may conduct a home visit or other investigation. ACS may be contacted if the Principal determines there is cause for concern.

Early Dismissal

Parents are required to sign-out students from the Main Office for any early dismissal. At KIPP NYC, an early dismissal constitutes any pick up prior to the official school dismissal time. A child will be dismissed early only to a parent or a properly authorized and identified adult. A letter from you authorizing another adult to pick up your child is required, if you did not previously list that adult as an authorized adult. **An early dismissal counts as a tardy.** Please do not request to pick up students within 20 minutes of regular dismissal time.

Grading System

KIPP Infinity Elementary School issues report cards on a quarterly basis. Report cards will be directly linked to KIPP Infinity Elementary School's standards. The grading scale is based on the students' mastery of the content standard. Family-Teacher Conferences will be held for each report card. Progress reports will be provided to parents at the mid-point of each quarter to update them on their child's academic progress. Progress reports provide a detailed picture of a student's academic performance based on assignments and assessments administered in a given period.

Homework

A key part of the academic program of KIPP Infinity Elementary School is the homework that every KIPPster will receive every night. Homework must be completed at night before it is due. Students will not be allowed to complete homework during breakfast unless given explicit permission by their teacher. No student is excused from any assignment without the permission of his or her teacher prior to the due date. If a student discovers that s/he will be unable to complete an assignment, s/he must contact the teacher by phone no later than the night before it is due. If the student is unable to contact their teacher for some reason, they must bring a written note from their parents/guardians.

Key HW Points

There are many points we review with students. Below are constant messages we send to our KIPPsters as we reinforce the importance of homework. Please review with your child and continue to reinforce accurate, thorough and timely completion of homework. As always students can call teachers with homework questions.

- ✓ Because we are committed to our mission of preparing our students for high school, college and the world beyond, we strongly emphasize the accurate and thorough completion of homework. HW helps students develop **grit, self-control, desire, discipline and dedication** – all of which are important tools for success.
- ✓ *Each night, students will come home with their homework folder. There is a section that says "Stays at Home". This is graded work for you to see or important notices that the school is sending home. You will see another section of the folder, which says "Return to School". This is the homework that needs to be completed that night and sent back to the school in this folder.*
- ✓ Our children are still developing their homework and work skills; they will need your support at home. At times, many of the assignments will require you to complete them with your child. Please reach out to the teacher if you need more clarification.
- ✓ Homework completion and effort is logged into PowerSchool, which is used to determine grades in each class.
- ✓ Late, incomplete, or missing assignments (for unexcused reasons other than absences) must be made up by the next day.

A. MAKE-UP WORK ON DAYS STUDENT IS ABSENT

Students who are absent are expected to make up the class work and homework when they return to school. All missed, incomplete or incorrect work must be completed. It is the student and parent's responsibility to check with each of his/her teachers to make sure s/he is aware of all assignments. The time generally allowed to complete this work will be the number of days the student was absent. For example, if a student was absent for one day, then s/he will have one day to make up any missed work.

B. PARENT SIGNATURE ON TESTS

Parents must sign all tests and graded assignments, which includes daily reflections. Daily reflections come home with the student every day and should be signed and sent back to the school. This will help us to communicate how your child is doing in working hard and being nice.

Promotion

KIPP Infinity Elementary School students will be promoted or retained on the recommendation of the classroom teachers, as well as the consultation of the grade level team and the principal. This recommendation will be based upon the following criteria:

-) Formative assessment data
-) Summative assessment data
-) Attendance
-) Classwork
-) Social/developmental characteristics
-) Other pertinent data

Student retention is recommended when considered in the best interest of the student. Retention may be considered at any grade level. The decision to retain should be based on sufficient data gathered over time with the intention of placing the child in the grade level and educational program where he or she will ultimately be the most successful.

Students qualifying for special education will also receive consideration on a case-by-case basis in a manner consistent with the Individualized Education Plan (IEP).

Students may be retained in their grade at the end of the year for any one of, or combination of, the following factors:

-) Failure to meet academic standards of readiness for the next grade: *[example: Students who fail (earn below 70%) a core subject (Reading, Writing, Math, Social Studies, Science) may be retained. Students who fail either the reading or math standardized test at the end of the year may be retained as well.]*
-) Failure to meet adequate standards of attendance and lateness: *[example: Students who miss more than 10 days of school may be retained. (Please note that every 3 tardies counts as one day absent)]*

Academic Integrity

Honor Code

We expect all KIPP Infinity Elementary School students to adhere to the highest standards of academic integrity. Every student will produce their own academic work and will neither receive nor give assistance without prior permission from the teacher.

Academic Dishonesty- Cheating and Plagiarism

To be prepared academically for college one must be able to perform without cheating, plagiarizing, or copying another person's work. When using sources for papers and projects, students should properly use citations giving credit to the appropriate origin of information. Also, a student may not improperly assist another student on an assignment/test or allow another student to copy your work. Students who violate this policy will be subject to consequences consistent with KIPP NYC's suspension and discipline policy.

The consequences for academic dishonesty may include the following:

1st Offense

-) No credit or a zero will be given on the test, paper, or project.
-) The student will be required to complete the assignment or re-take the test.
-) Additional work may be assigned by the teacher.

-) Parent/Guardian notified about academic dishonesty.

-) Parent/Guardian meeting will be scheduled with the Principal.
-) Offense will be noted on student's permanent record and colleges will be notified.

4th Offense

SCHOOL-LEVEL POLICIES

Cell Phones

We understand that some families may choose to provide their children with cell phones based on concerns about safety or convenience. However, it is the policy of KIPP NYC that students must store their phones and any other electronic devices out of sight during the school day.

Students may not use their cell phones out during the school day. If a school staff member sees or hears a student's cell phone, even if it is not in use, it will be confiscated immediately. KIPP Infinity Elementary School has a right to collect all student phones at the beginning of the day, and secure them in a safe space until the end of the day.

The school may return the phone upon dismissal for the first infraction, but multiple violations of this policy may require a parent/guardian to come to the school to pick it up.

KIPP Infinity Elementary School is not responsible for the loss, theft, or damage to cell phones confiscated as a result of a violation of this policy.

Enrollment

Every year, beginning in December, KIPP Infinity Elementary School will begin accepting applications for our kindergarten-fourth grades for the following year. Admissions preference will be granted to siblings and children of KIPP NYC staff, and students receiving free or reduced lunch living in District 5 or 6 as a 2nd priority. The lottery will be held the first week of April.

Food Services

Costs

All families must fill out a federal free/reduced lunch form in September. Families that qualify will receive free/reduced pricing for lunch. The full price for lunch is \$1.50 and is subject to change as New York City Department of Education policies change.

Meals

Breakfast is optional each morning from Monday – Friday for all students. Breakfast will be served between 7:40 and 8:00.

Lunch will be provided Monday – Friday for all students in **grades K-4** at no cost. Families are encouraged to send a bag lunch, if your child frequently chooses not to eat the school lunch offered. The school will be unable to assume responsibility for refrigerating or warming lunch brought from home.

On Monday-Friday, snacks will be provided. In terms of other foods/beverages that are permitted at school, students are encouraged to bring water, 100% juice, fruits, and healthy snacks. Any unhealthy food or beverage options (i.e. cookies, coffee, hot chocolate, donuts, soda, drinks that are not 100% juice, etc.) are not permitted.

Lastly, please inform the school if your child has any food allergies. We also ask that you inform the school if your child will not eat the school breakfast and/or lunch on a regular basis.

Transportation

We believe that “our children are always ours” and we take their safety seriously even when they are not in the school building. KIPPsters are expected to live up to high expectations, even when their families and teachers are not present. We appreciate your support in recognizing that the bus and the subway are important times to think about safety. In the event that there are safety issues with any students traveling to or from school, we will consider any action necessary to keep our children safe. In some cases, we may ask for families to pick up or drop off their children at particular times. We understand this decision might create travel difficulty for you; however, we need every student to adhere to behavior expectations for their own safety as well as the safety of everyone else. Disciplinary actions may occur even though the students are not on school property.

Students living more than ½ mile in distance from the school, but less than 1 mile, will receive a Reduced-fare Metro Card for public transportation. Students living greater than 1 mile from the school will receive a Full-fare Metro Card for public transportation. It is each student’s responsibility to hold onto the Metro Card. Students will receive a transportation pass the Friday prior to Saturday school. Parents are expected to pick up or make special arrangements for students remaining after school for Reflection/Work Hard Academy, tutoring, or special activities.

Parents must provide contact information for any person authorized to pick up their child. If the person picking up child is not the parent/legal guardian of the child, they must be a) given explicit written permission to pick up the child and b) be 18 years or older. Please speak to Ms. Salazar-Garza, Ms. Herm or Ms. Walker if you have any concerns.

Arrival and Dismissal

Arrival

Students and families must remain outside the building until 7:40 AM. Students must arrive between 7:40 AM to 8:00 AM. All students will enter the school through the School Playground Doors. Students arriving after 8:10am are considered extremely tardy. Upon entering the building, parents must sign in with School safety (must have proper ID) at the security desk and bring their child the Main Office Room 261.

Dismissal

On Monday through Tuesday and Thursday through Friday, families are responsible for picking up students promptly at 4:00 PM. On Wednesday, the school day ends at 1:30 PM. All students will be dismissed through the School Playground.

Ten minutes after dismissal, remaining students will be taken to the Late Pick-Up Room.

It is the responsibility of the parent/guardian to ensure a timely pick up of his/her child from school. Late pick-ups are not acceptable. Classroom teachers will contact the families of those students who are picked up late. No student will be allowed to leave the school without an adult escort authorized to

KIPP NYC FAMILY AND STUDENT HANDBOOK

regularly pick them up (based on authorized pick-up names listed on registration form). If the person picking up the child is not the parent/legal guardian of the child, they must (a) be given explicit written permission to pick up the child and (b) be 18 years or older. Please speak to Ms. Salazar-Garza, Ms. Herm or Ms. Walker if there are any concerns.

If your child remains at school for more than one hour after dismissal time on any school day, KIPP Infinity Elementary School reserves the right to take the following actions, at our discretion:

-) Per NYC Department of Education policy, a member of our staff may call the New York City Police Department and ask an officer to escort your child to the police station. Your child will then remain at the police station until you pick him/her up.*
-) Report chronic lateness to ACS.*

Field Lessons

Field lessons are one of the many ways we both provide students with new learning experiences, and reward students who are doing the right things. Students must earn field lessons through excellent attendance, effort, completed homework, and behavior. While some field lessons are experiential and open to all KIPPsters who demonstrate appropriate levels of safe behavior, *earned field lessons maybe taken away from students who do not earn them based on attendance, effort, homework, and behavior. Otherwise, trip attendance will be required.*

Local Field Lessons

No child will be permitted to leave the school for a field lesson if they do not have written permission. Please sign all permission slips in a timely manner. Teachers will leave your child, under adult supervision, at the school if written permission was not received, if the child has not satisfied the requirements made by the teacher, or if the child is or has recently demonstrated unsafe behavior.

Chaperones

We welcome parent chaperones on our field lessons throughout the year. Please let your child's homeroom teacher know if you are willing and able to chaperone a particular trip. We will honor volunteers on a first come, first serve basis. Preference will be given to families whose children have the fewest number of absences.

Dress Code

Consequences for Uniform Violations

Any accessory or article of clothing that becomes a distraction will be sent home with a note and will become a dress code violation if it is worn or brought back to school;

-) Students who attend school dressed improperly will be required to call their parents/guardians to bring clothes meeting dress code requirements;
-) Students will be given warnings on inappropriate accessories, if worn again they will be confiscated and returned to parents/guardians.

Immunizations

According to the New York State Public Health, all students need to be appropriately immunized and have a physical examination each year.

New York State law also requires that all children entering elementary school be immunized. In accordance with the Department of Health and Mental Hygiene, students entering kindergarten must have the following vaccinations effective **September 1, 2017**:

Vaccine	Kindergarten	Grades 1-3	Grades 4-5	Grades 6-9	Grades 10-12

Before a child can be permitted to enter and attend school (subject to the 14-day initial waiver requirement), parents or guardians must present documentation that their child has received all required doses of vaccines or that their child has received at least one dose of each of the required vaccines and is waiting to receive the subsequent doses at the appropriate time intervals. KIPP Infinity Elementary School must receive a certificate of immunization no later than **September 27, 2017**. These requirements can be waived only if a properly signed health or religious exemption is filed with the school.

Student Health/Sickness Policies

If your child is going to miss school because of illness, please call the school as soon as possible. All student absences should be followed up the next day with a note signed by a parent, guardian or doctor. KIPP staff will call to verify all student absences. Please let Ms. Canela know if there are any medical concerns or special circumstances of which we should be aware.

Illness During School Hours

If a child becomes ill or injured during the school day and is not well enough to stay in class, the parent/guardian will be called to pick the child up. It is necessary to have updated emergency contact numbers on file in the school office in case no one can be contacted at home. If the person picking up child is not the parent/legal guardian of the child, they must be (a) given explicit written permission to pick up the child and (b) be 18 years or older.

Medication

No medication can be administered or consumed at school unless both a doctor and a parent/guardian have completed the appropriate forms. KIPP Infinity Elementary School strongly encourages families to dispense both temporary and maintenance medications outside of school hours. Ask your physician for a medication schedule that will accomplish this. In those few cases where this is not possible, please bring in the medication to the main office.

Medication may not be given without the completion of the Medication Administration Form (MAF), which must be completed by a healthcare provider. Families can get a copy of this form by calling or stopping by the school. This policy and the requirement to have a form on file applies to all medicine, including aspirin, Tylenol and other over-the-counter medicines. Staff at the school are NOT authorized to administer medication.

The medication needs to be in the original container with the appropriate prescription label (including the name of the student, the name of the medicine, the date, the dosage information, and directions for administering the medication) and the appropriate Student Health Authorization for Administration of Medication Form. We store and administer the medicine in a secure location. Please be aware that the medication cannot travel back and forth to school – once it's given to us for your child's use, it must remain with us until it needs to be refilled. Therefore, we strongly encourage you to ask for two separate prescriptions when at the doctor's office with your child. Students are not allowed to have medication (prescription or non-prescription) of any kind in their possession at school and it should not be placed in their book bags. Adults should bring the medication to the nurse. For further information on medication or any health related issues, please contact Ms. Canela.

KIPP NYC FAMILY AND STUDENT HANDBOOK

Students with asthma should bring an inhaler prescribed by their doctor to school each day. Asthmatic students should notify a KIPP staff member as soon as breathing becomes difficult. If there are any concerns about medicine, allergies and overall health, please let Ms. Canela know.

Please notify Ms. Canela if your child has any food allergies, so that we provide your child with the necessary accommodations.

Emergency Services

As a school, the safety of all of our students, staff members and families is of the utmost importance. If an emergency arises that requires urgent medical attention which the nurse cannot attend to, we will call 911. We will immediately then call all contacts on the emergency contact list until we are able to speak with someone who can meet us at the school or the hospital. If a family member cannot make it to the school, a staff member will accompany the student to the hospital and will remain with them until the family member arrives. KIPP Infinity Elementary School is not financially liable for any emergency medical services.

Counseling

The Social Workers and Counselors at KIPP Infinity Elementary School are available to help any student or parent address any social, emotional, or academic issue they may be facing. In addition, our social workers/counselors help students work through and cope with personal and school related stress. At KIPP, every student is entitled to counseling support and referral services. Counseling support is also extended to KIPP families in need.

There are several ways in which students may be referred for counseling services:

-) If a parent is interested in having their child seen by one of our Social Workers please contact Mr. Alvarez or Ms. Salazar-Garza.
-) Students are able to ask directly to speak with one of the social workers on staff
-) A student may also be referred at the recommendation of a teacher, social worker or principal

Please understand that we are required to respect the rights and privacy of our students and families and as a result all information and counseling services are confidential and cannot be shared (except in instances required by law).

MANDATORY LEGAL POLICIES

KIPP NYC Code of Conduct

KIPP NYC is committed to maintaining safe and orderly learning spaces for all KIPPsters. In collaboration with students and teachers KIPP NYC has created a Code of Conduct which identifies certain behaviors that are punishable by suspension from class or school. Suspension is a serious consequence. Suspended students will not be allowed to participate in any non-core instructional school activities.

KIPP NYC FAMILY AND STUDENT HANDBOOK

KIPP Infinity Elementary partners with families to use a variety of discipline and behavior management techniques to avoid suspension of any type whenever possible. We commit to communicating directly with you whenever there are concerns. We also try to reinforce positive student behaviors through tools such as our Character Growth Card, KIPP Circle, and grade level or class incentives.

Our staff are trained in techniques such as Collaborative Problem Solving, Therapeutic Crisis Intervention and Love and Logic which help us to build relationships with students and deescalate difficult situations. Our teachers, Deans and counseling staff work collaboratively with students and families to support students through the consequences of negative actions.

In determining appropriate discipline, consideration will be given to the student’s age, maturity, previous disciplinary record, the circumstances surrounding the incident and, if applicable, the student’s IEP, BIP, or 504 Accommodation Plan. In addition, consideration shall also be given to whether, because of the student’s grade, the removal will result in the student being removed from their appropriate grade-level classroom for a single class period or for the entire day. Any removal which extends for multiple class periods will be tracked centrally by the school.

Parents and families are welcome to access additional information about KIPP NYC’s Code of Conduct at any time by contacting the main office.

In accordance with The New York Citywide Standards of Discipline and Intervention Measures (The Discipline Code), all KIPP students have the following rights:

-) the right to a free public school education
-) the right to express opinions, support causes, organize, and assemble to discuss issues and demonstrate peacefully and responsibly in support of them, in accordance with policies and procedures established by the New York City Department of Education.
-) the right to be treated fairly in accordance with the rights set forth in the “New York Citywide Standards of Discipline and Intervention Measures.”

Insistence on reasonable and responsible behavior from every student is essential to ensuring that the aforementioned rights can be preserved. In accordance with the discipline code, violation of these may lead to disciplinary measures. Acceptance of responsibility will provide students with greater opportunity to serve themselves and society by learning from mistakes.

Types of Interventions at KIES	
Parent Outreach: School staff keep parents informed of their child’s behavior and enlist parents in addressing areas of concern. Outreach to parents can include, but it is not limited to, a phone call and/or written communication.	Conflict Peer Mediation: Neutral student mediates a problem between two other students who are in conflict. Helps them find their own solution to their problem. This student must be trained to serve as a peer mediator. Not used in a situation involving bullying. (For minor disputes between students.)

KIPP NYC FAMILY AND STUDENT HANDBOOK

<p>Guidance Conference: Principals, the Dean of Students, and teachers may request a guidance conference with a student and when appropriate a parent. The purpose of the conference is to review the behavior, find solutions to the problem and address academic, personal and social issues that might have caused or contributed to the behavior.</p>	<p>Student Advisory Groups: Students meet in small groups with the Dean of Students and other teacher mentors to focus exclusively on character and civic development. Social workers serve as regular participants in determining the need and appropriateness for special education evaluations and/or additional interventions which may assist a student to be more academically successful. School social workers provide immediate short-term assessment and counseling for students and parents regarding a number of stressful family situations. They also provide referrals for parents to community services in the areas of: basic needs, housing, financial benefits, health care, and mental health services.</p>
<p>Referral to Social Workers: When a student is referred to a social worker the social worker assesses the referral form and determines the level and type of intervention needed. The social worker monitors intervention and reassess as needed.</p>	<p>Character/ Social Skills Lessons: Teachers and the Dean of Students will teach character lessons once a week in which a specific value is focused on and explicitly taught. It is a process of gathering and analyzing information about a student’s behavior and accompanying circumstances.</p>	<p>ABC Log (Antecedent-Behavior- Consequence Log)/ Observation of Student: The ABC log is for approximately 10 -14 days. The purpose of the log is to gather data that assists to identify the function of a challenging behavior. A plan for intervention is developed after analyzing the data.</p>
<p>Referral to Northside Services: In September 2010, Northside began a pilot project of school based mental health clinic in KIPP Infinity Charter School. This requires teaching students active listening skills and conflict resolution communication skills.</p>

Removal of Students from Classrooms by Teachers

When a student engages in behavior which is substantially disruptive of the educational process or substantially interferes with a teacher’s authority over the classroom, the student may be removed from the classroom by the teacher. The teacher must inform the principal or another member of the School Leadership Team (Principal/designee) of the removal no later than the end of the school day. During the period of removal from class, the child will be present for the full school day and be provided with on-site supervision as well as the opportunity to continue with schoolwork.

Suspension

Suspension may be short-term or long-term, depending on the severity of the offense and whether or not the student has previously been suspended for the same offense:

The following conduct is punishable by short-term or long-term suspension, whether it occurs on campus, in the vicinity of the campus, on field trips, on any school sponsored activity, or on school buses.

-) Assault of fellow student
-) Endangering the physical safety of another by the use of force or threats of force that place the victim in fear of bodily injury

-) Insubordination
-) Failure to comply with disciplinary sanctions
-) Cheating on quizzes, exams, or plagiarism
-) Use of forged notes or excuses
-) Theft, or attempted theft, or possession of property known by the student to be stolen

Alternative Instruction will be provided during any period of suspension. Alternative Instruction may be provided either in school or off-site.

Short –term Suspension with On-site Alternative Instruction: Not to Exceed Ten School Days

Because we believe that students can benefit from instruction in a school setting even when suspension is an appropriate disciplinary response, we provide alternative instruction for suspended students within the school setting unless the severity of the conduct leading to the suspension makes immediate return to school inappropriate or the School does not have adequate facilities or staff to provide a supervised alternative program. To the extent possible, the alternative in-school instruction program will be hosted at the Student’s home school or another KIPP schools with adequate facilities. The alternative program will provide counseling support and the same or substantially similar academic curriculum that students would receive if attending regular classes. Alternative instruction will be provided for at least two hours per day.

Short-term Suspension with Off-site Alternative Instruction: Not to Exceed Ten School Days

If the School does not have adequate facilities for in-school alternative instruction or if for any other reason, the student’s presence in the school causes a risk of continuing disruption or a risk of danger for the student or others, the Principal may direct that the alternative instruction be provided off-site.

Long Term Suspension: 10 days or More

As with short-term suspension, alternative instruction may be provided in-school or outside of school, depending on the facilities in the school, the severity of the conduct which led to the disciplinary

proceeding and whether return to school can be safely accomplished without continuing disruption or danger to the student or others.

A student who commits any of the infractions listed below will be subject to suspension for ten days or more.

-) Possession within school, on school grounds, on school buses or during any school activity, of any weapon identified in the Citywide Standards of Intervention and Discipline Measures as a Category I or Category II Weapon, including any firearm, air gun, imitation gun used to threaten others, knife, razor blade, explosive, mace, tear gas, or other dangerous object

-) Intentionally causing bodily injury to another person, except when student's actions are reasonably necessary to protect him or herself from injury
-) Causing major damage to school property.

In addition, as noted above, a student who commits any of the acts previously described as punishable by short term-suspension may also be subject to a long-term suspension at the Superintendent's discretion based on the severity of the offense or whether the student has previously been suspended for the same or a similar offense.

Expulsion: Permanent Removal from KIPP and Transfer to Another Setting

KIPP is committed to continuing to work with students who have engaged in conduct which leads to long-term suspension. Alternative instruction will be provided during the period of suspension and efforts will be made to successfully transition the student back to the School community after the period of suspension is concluded.

If, however, a student during the period of long-term suspension or after he or she has returned to school following a long-term suspension engages in additional acts which threaten the safety of individuals in the school community, the Superintendent of Schools may initiate procedures leading to expulsion of the student and permanent separation from the KIPP community.

Cases which may trigger the Hearing Officer's recommendation of expulsion would include suspensions for weapons, gangs, sexual assault, extreme acts of violence against a person, and repeated drug offenses that harm the school community.

Procedures for Expulsion

Procedures for Long-term suspension will be followed, but if the Principal/Designee determines that long-term suspension may be warranted and that such suspension will be the second long-term suspension for the Student, a finding of guilt by a hearing officer may result in a recommendation for expulsion. Written notice of the charges and hearing procedures will advise Parents and Student that the hearing may result in such recommendation.

At the hearing, the student shall have the right to:

1. Be represented by counsel;
2. Confront and cross-examine witnesses supporting the charge; and
3. Call her or his own witnesses to verify her/his version of the incident.

If the Parent is dissatisfied with the determination of the hearing, the Parent can use the complaint procedure described below to appeal from this determination.

The Superintendent or other Hearing Officer may, upon a finding of guilt, recommend to the Board of Trustees that the student be immediately suspended for the balance of the school year and, in addition, permanently expelled. The final decision concerning expulsion, based upon a review of the record of the proceedings and the Student's past disciplinary history, will be made by the Trustees in Executive Session at a Regular or Special Meeting of the Board. Pending review of the Expulsion recommendation, the Student will remain on long-term suspension.

Discipline for Students with Special Needs

Students with disabilities have the same rights and responsibilities as other students, and may be disciplined for the same offenses. Discipline of a student with a disability (whether the disability has been formally identified by a Committee on Special Education or is simply suspected) will be consistent with federal and state laws and may be adjusted to reflect individual needs.

In the case of a special education student, or a student who receives 504 accommodations, KIPP Infinity Elementary School will ensure that it makes the necessary adjustments to comply with the mandates of state and federal law, including the IDEA and Section 504 of the Rehabilitation Act of 1973, regarding the discipline of students with disabilities. Prior to recommending discipline for a Section 504 or special education student, the Principal/Designee will convene a review committee to determine: whether the student's misconduct was a manifestation of his or her disability; whether the student was appropriately placed and receiving the appropriate services at the time of the misconduct; and/or whether behavior intervention strategies were in effect and consistent with the student's IEP or 504 plan. If it is determined that the student's misconduct was not a manifestation of his or her disability, that the student was appropriately placed and received appropriate services at the time of the misconduct, and that appropriate behavior intervention strategies were in effect and consistent with the student's IEP, the student may be disciplined in accordance with KIPP NYC's Code of Conduct, as stated in our charter documents.

If you would like additional information about disciplinary procedures for students with special needs, we welcome you to reach out directly to School Leaders.

Bullying

All KIPPsters should feel safe and welcome at school. We have a Zero Tolerance Policy against acts of harassment, discrimination, or bullying. This includes behaviors that take place outside of school if they harm others or disrupt scholars' education.

We are all responsible for stopping harassment, discrimination, and bullying before and when they happen.

In general, bullying:

-) Is targeted and repeated
-) Involves a power imbalance
-) Creates a hostile environment
-) Has substantial negative consequences

Harassment, discrimination, and bullying can be behaviors that are physical, verbal, social, and/or cyber (internet). Here are examples of harassing or bullying behaviors when targeted and repeated:

Physical: hitting, kicking, pinching, pushing, or damaging/forcibly taking others' property

Verbal: Name calling, put-downs, making threats, teasing, or spreading harmful rumors

Social: Deliberately harming another scholar's friendships or relationships

Cyber (internet): distributing text messages, pictures, postings, or emails that hurt or embarrass others

Respect toward others is one of our most important principles. You should always treat others as you would want to be treated. It is never okay to engage in harassing, bullying, or discriminatory conduct.

You are responsible for your own actions, even if everyone else is acting in an inappropriate manner. While you don't have to be friends with every single scholar at school, you do have to be respectful at all times.

Tell your teacher, your school's Dignity Act Coordinator (or Dean), a leader, or another adult (including a parent/guardian) right away if you believe you are being harassed, discriminated against, or bullied, or if you believe someone else is. Your school's principal/designee will make sure the school investigates and puts a stop to any harassment, discrimination, and bullying. Parents/guardians may also report potential acts of harassment, discrimination, or bullying to teachers and administrators. Reports may be made orally or in writing.

KIPPsters may be disciplined (including suspension and/or other consequence) for violating this policy.

There will be no retaliation against anyone who, in good faith, reports or assists in the investigation of potential acts of harassment, discrimination, or bullying.

Technology Use

Technology can be a great learning tool. However, KIPPsters should use technology safely and responsibly.

By "technology" we mean computers, tablets, phones, mobile devices, the Internet, social media (which includes Facebook, Twitter, and others), blogs, email, chat rooms, and other online services.

This policy covers the use of ANY technology (not just technology owned by the school), including off-campus use and use of social media, which could disrupt the school or KIPPsters' education and/or

KIPP NYC FAMILY AND STUDENT HANDBOOK

interfere with others' rights. This policy is meant to be representative, and does NOT cover every single situation.

BE SAFE
BE APPROPRIATE
BE RESPONSIBLE

If you violate this policy, you may lose technology privileges or be subject to other disciplinary consequences. KIPP NYC can monitor the use of its technology at any time. KIPP NYC may also use filtering software that blocks inappropriate content and/or websites.

Acceptable Internet Use Agreement

Student use of the Internet at KIPP NYC is a privilege. KIPP NYC students agree that they will not participate in any of the following activities when using the Internet:

-) Sending or displaying offensive pictures, using obscene language, or harassing, insulting, threatening or abusing other network users (cyber-bullying); Any activity that encourages the use of drugs, alcohol or tobacco, or that promotes any activity prohibited by law or KIPP policy;
-) Posting, sending or displaying any personal identification information of anyone under 18;
-) Using the Internet for financial gain;
-) Damaging or disrupting equipment, software or system performance;
-) Using others' passwords or accounts;
-) Posting anonymous messages or messages with a false identity;
-) Trespassing in or deleting files, info, or data that does not belong to you;
-) Downloading or printing files or message that are profane, obscene, or that use language that offends others;
-) Playing unauthorized games;
-) Computer piracy, hacking, or any tampering with hardware or software;
-) Using the Internet for any illegal activity, including violation of copyright or other laws;
-) Activities that allow a computer or network to becoming infected with a virus or other destructive influence.

Violation of this agreement could result in loss of a student's online privileges, or other disciplinary action. Note that student behavior on social media that violates KIPP NYC's Internet Use Agreement or Bullying Policy is also subject to disciplinary action consistent with our Code of Conduct.

FERPA

The Family Educational Rights and Privacy Act (FERPA) is a federal law that grants parents five basic rights regarding their child's school records:

-) The right to review your child's education records.
-) The right to challenge any false or misleading statements in the records.
-) The right to require the school to get written permission to disclose personal information in the record, except in those cases allowed by law.

-) The right to be informed of your rights under FERPA.
-) The right to file a complaint when these rights have been denied.

FERPA grants these rights to a student’s parents, including non-custodial parents or parents who do not live with their children, unless a court order forbids it. When a child turns 18, the parents’ rights under FERPA transfer to the student.

At KIPP NYC, our teachers regularly use student assessment data to improve their teaching practice and learn from one another. To this end, teachers use and share student achievement data across our schools.

If you would like additional information about FERPA, we welcome you to contact Ms. Salazar-Garza.

MANDATED REPORTERS

Preserving the safety and wellbeing of every KIPPster is central to the work of KIPP NYC. If at any time a KIPP Infinity Elementary School employee becomes aware that a student may have been harmed or is in danger of being harmed—physically, sexually, or through neglect—and that a caregiver either committed the harm or should have taken steps to prevent the child from harm, he or she is required by law to notify his or her Principal/Designee of the situation. The school is legally required to report the behavior or incident to NYC Administration for Children’s Services. Teachers must also refer students to the Principal/MD if they exhibit signs of hurting themselves or others.

SPECIAL RULES RELATING TO THE DIGNITY FOR ALL STUDENTS ACT (DASA)

Upon receipt of a report of a material incident of harassment, bullying, and/or discrimination, the Principal shall take prompt action to intervene. Intervention may include one or more of the following:

- 1) Initiating disciplinary proceedings, as above, and/or engaging the student who has done the bullying in a reflective activity such as writing a statement about the misbehavior and how it might affect others;
- 2) Providing supportive intervention and mediation to assist in conflict resolution;
- 3) Assigning adult mentors to the student who has been bullied and to the student who was responsible for the conduct;
- 4) Arranging class discussions or school meetings to re-emphasize behavioral expectations; and/or
- 5) Referring any student who has been a victim of bullying to counseling; notifying parents of all students involved.

Retaliation against any student or teacher who reports or assists in the investigation of harassment, bullying or discrimination is strictly prohibited and will be subject to disciplinary measures.

KIPP Infinity Elementary School will provide training to staff each year on DASA and its zero tolerance policy against harassment, discrimination, or bullying.

COMPLAINTS SUBMITTED TO THE BOARD OF TRUSTEES

Any parent or legal guardian may bring complaints to the Board of Trustees of KIPP Infinity Elementary School to allege a violation of law or the charter. Information about Board meetings can be found on our website at <http://www.kippnyc.org/>. KIPP NYC Board meetings are open to the public, and we invite families to join.

This complaint procedure may be used to appeal from a decision to suspend a student. Such appeal must be filed within thirty days of a suspension and be submitted to the Board of Trustees at least two weeks prior to the next Board meeting. Complaints submitted later will be addressed at the subsequent meeting of the Board of Trustees. Emergency issues will be dealt with on an as-needed basis, with the Board responding at or prior to its next regular public meeting. Every effort will be made to respectfully address each matter to the satisfaction of the individual or group that presented the complaint. The Board, as necessary, shall direct the Principal or other responsible party to act upon the complaint and report to the Board. The Board of Trustees shall as necessary render a determination in writing.

If an individual or group filing a complaint to the Board of Trustees, including an appeal of a suspension decision, is not satisfied with the way that the Board has addressed the complaint, that individual or group may present the complaint to the charter authorizer, which shall investigate and respond. If the individual or group is not satisfied with the actions of the authorizer in reviewing the complaint, further appeal may be made to the Board of Regents of the State of New York, which shall investigate and respond.
