Dear Parents, Families and Friends,

I am honored to be the leader of KIPP AMP Middle School for the 2016 – 2017 school year. I am energized and deeply committed to making a positive difference in the lives of your children. We will accomplish this by setting high academic expectations for all children and providing supportive systems to assure they are met. By addressing school culture, setting high standards for teacher performance, increasing academic expectations for all students, and engaging the community, we will realize our goal at KIPP AMP Academy Middle School that all graduates are college or career ready without mediation.

We embrace the challenges of the future while we continue to cherish and celebrate the traditions of the past. Our remarkable staff, involved parents and committed students come together to make KIPP AMP Academy a wonderful and unique place.

If at any time you need to contact me, you may reach me via my email address [LWilliams@KIPPAMP.org](mailto:LWilliams@KIPPAMP.org). You can also contact our main office at (718) 943-3710 or call me directly at (646) 847-4567.

We are looking forward to an extraordinary year! It takes collaboration for us to be successful. With your help, we can make this the best year ever, by working together for the good of our students. Here's to the 2016-2017 school year...and the belief that "with love and patience, nothing is impossible." – *Daisaku Ikeda*

One Vision. One Aim. One Destiny.

Sincerely,

Latasha S. Williams

## ABOUT THE SCHOOL

### KIPP Mission

KIPP AMP MIDDLE SCHOOL (KAMS)'s mission is to teach our students to develop the academic and character skills necessary to succeed in high school and college, to be self-sufficient, successful, and happy in the competitive world, and to build a better tomorrow for themselves and us all.

### School History ("Our Beginning")

KIPP AMP MIDDLE SCHOOL (KAMS) is part of KIPP NYC which currently serves over 4,000 students and alumni at five elementary schools, five middle schools, and one high school.

From the beginning, KIPP has focused on developing academic and character skills. Since day one, the key to our success has been the amazing teamwork of families, students and teachers working together.

### School Credo

If there is a problem, we look for a good solution.  
If there is a better way, we try to find it.  
If we need help, we ask.  
If a teammate needs help, we give.

### KIPP Credo

At KIPP, we believe.  
We believe in the creation of inspired lives  
produced by desire, discipline, and dedication.  
We are not frightened  
by the challenges of reality  
but believe that we can change our world  
and our place within in it.  
We work, plan, create, and dream.  
Our talent, character, and integrity  
will be the tools we need  
to build a better tomorrow.  
We believe that we can take  
this place, this time, and the people here  
and build a better place, a better time,  
and a better people.  
As a team and a family,  
we will either find a way or make one.

- Inspired by Providence St. Mel School Motto

## **Some of what every KIPPster learns during Week 1**

*We are committed to reinforcing common standards of character and academic performance to create a sense of team and family. We believe that these ideas serve as a great foundation to be carried beyond the years at KIPP AMP ACADEMY. During the first week of summer school every KIPPster learns various songs, sayings and acronyms to reinforce our mission. We constantly refer to these throughout their time at KIPP. Please review with your child and help reinforce these standards in and out of school.*

## School Calendar

### Start/End Dates

School will begin for all students on August 22<sup>nd</sup> and will be in half-day sessions through September 2<sup>nd</sup>, 7:25 – 1:30 PM.

Our regular schedule will begin after Labor Day, which is 7:25 – 4pm, except for Wednesday which will be a 1:30pm dismissal.

### Vacations/Holidays

With a few exceptions, KAMS will follow the same holiday schedule as the New York City Department of Education (see calendar for full details).

### Saturday School

On appropriate Saturdays, all KAMS students are expected to attend Saturday school from 9:00 – 12:30 PM. Unless otherwise specified, students must continue to follow the standard KAMS dress code on Saturdays. Lunch will be provided.

## School Closings

If the NYC public schools close due to bad weather, KAMS is closed. Listen to the radio (e.g. 1010 WINS news) or television for the announcement closings/delays of NYC Public Schools. Or, check the Department of Education website (<http://schools.nyc.gov>).

Once the school day has started, school will not be cancelled early due to weather conditions. Parents should feel free to pick their children up early in the case of serious weather conditions.

## ATTENDANCE

KAMS students must arrive by 7:25 AM Monday through Friday, and remain at school until 4:00 p.m. (1:30 on Wednesdays). On appropriate Saturdays, school will begin at 9:00 a.m. and end at 12:30 p.m. August hours will also reflect a shortened school day, but they are a part of the regular school year and attendance is mandatory. Any absences or tardies will be counted.

In the *Commitment to Excellence* it states:

1. **Attendance** – We will make sure our child comes to school every day. We will schedule doctor’s appointments, vacations, etc. for days when school is not in session.
2. **Timeliness** – We will make sure our child arrives at school every day on time by 7:25 AM.

## Absences

**All Absences – “Excused” and “Unexcused” – are Considered Absences.** Families are expected to ensure that their child is in school.

*If your child is going to miss school:* Call our main office or your child’s classroom teacher as soon as possible. If your child is absent, we will follow up with a phone call that morning.

EXCUSED	UNEXCUSED
<p><b>With a doctor’s note:</b> Illness for 3 or more days (by next business day)</p> <p><b>With a parent note:</b> Up to 2 days of illness Death in the family Required court appearance Religious holiday</p>	<p>Routine doctor’s appointments Please schedule for when school is not in session (ideally Wednesday afternoons after 1:30 PM) Family vacation Bad weather Trouble with public transportation <i>Other reasons for absences may also be considered unexcused</i></p>

## Support Policy for Absences

All absences and tardies are noted on report cards. Students are responsible for all missed assignments. Students and families must arrange a way to complete all missed assignments and homework. Since missing class affects academic achievement, repeated absences may be reflected in the student’s grades.

At KAMS, we pride ourselves on having a partnership between parents, teachers, and staff to provide the best possible education for our children. We are committed to providing families with open and clear communication on our policies. Please see the chart below for the action steps to make sure we are communicating and working together on your child’s attendance.

## Important Notes about Attendance

- ❖ If students are not in school at the beginning of the day, and the school has not already been notified of an absence, parents will receive a phone call from the school.
- ❖ If we cannot contact you to schedule a meeting, after 3 attempts, you and your child will move to the next action step.
- ❖ If concerning patterns are noted, the Principal will reserve the right to accelerate certain actions and consequences. For example, if a student has 5 absences in a row, a parent meeting may be called to resolve the situation. If a student is absent for several days without parent communication, the school may conduct a home visit or other investigation.
- ❖ If a student has 10 or more *unexcused* absences, the student may not participate in special events, reward trips, or any extra-curricular activities. (Field lessons, which are a part of the curriculum, will not be withheld due to absences.)
- ❖ With the successful fulfillment of an attendance plan, the Dean or Principal's may reinstate the student's privileges to attend special events, reward trips, or any extra-curricular activities.
- ❖ All students who accrue 10 total absences will receive a Promotion in Doubt (PID) letter from the school, regardless of current academic performance or reason for absence. While we understand that there may be legitimate circumstances that may cause a student to miss 10 or more days of school (such as severe illness or family crisis), we believe that in order to be fair to all of our families, we must implement this policy consistently in every situation.

Please note that receipt of a PID letter does not automatically lead to retention. However, students who are absent for 10 or more days miss a significant amount of our academic program, and chronic absenteeism can cause students to be ill-prepared for the next grade. We therefore believe it is important to have this conversation with families early to ensure transparency and clear communication among all parties.

## Tardies

**Be On Time.** Getting to school on time is key to your child's success – at school and in life. Our doors open at 7:00 AM each morning. Students must arrive between 7:00 AM and 7:25 AM. **Students arriving even 1 minute after 7:25 AM are marked tardy.** If you know your student will be tardy, please call our main office at (718) 943-3710.

Students who are chronically tardy will face the following consequences:

- J 2 unexcused late arrivals in 1 week will result in lunch detention. Please also be aware that once a student has called one time during a week they will still be required to serve if they are late another time that week.

As is the case with student absences, if a concerning pattern of tardies is noted, the Principal will reserve the right to accelerate certain actions and consequences. For example, if a student has 12 tardy days in a row, a parent meeting may be called to resolve the situation. If a student is tardy for several consecutive days without parent communication, the school may conduct a home visit or other investigation. ACS may be contacted if the Principal determines there is cause for concern.

## Early Dismissal

Parents are required to sign-out students from the Main Office for any early dismissal. At KIPP NYC, an early dismissal constitutes any pick up prior to the official school dismissal time. A child will be dismissed early only to a parent or a properly authorized and identified adult. A letter from you authorizing another adult to pick up your child is required, if you did not previously list that adult as an authorized adult. **An early dismissal counts as a tardy.** Please do not request to pick up students within 20 minutes of regular dismissal time.

### **Grading System**

KAMS issues report cards on a quarterly basis. Report cards will be directly linked to KAMS's standards. The grading scale is based on the students' mastery of the content standard. Family-Teacher Conferences will be held for each report card. Progress reports will be provided to parents at the mid-point of each quarter to update them on their child's academic progress. Progress reports provide a detailed picture of a student's academic performance based on assignments and assessments administered in a given period.

### **Homework**

A key part of the academic program of KAMS is the homework that every KIPPster will receive every night. Homework must be completed at night before it is due. Students will not be allowed to complete homework during breakfast unless given explicit permission by their teacher. No student is excused from any assignment without the permission of his or her teacher prior to the due date. If a student discovers that s/he will be unable to complete an assignment, s/he must contact the teacher by phone no later than the night before it is due. If the student is unable to contact their teacher for some reason, they must bring a written note from their parents/guardians.

---

### **Key HW Points**

*There are many points we review with students. Below are constant messages we send to our KIPPsters as we reinforce the importance of homework. Please review with your child and continue to reinforce accurate, thorough and timely completion of homework. As always students can call teachers with homework questions.*

- ✓ Because we are committed to our mission of preparing our students for high school, college and the world beyond, we strongly emphasize the accurate and thorough completion of homework. HW helps

students develop **grit, self-control, desire, discipline and dedication** – all of which are important tools for success.

- ✓ *Students who come to class with no homework, and who have not received permission from the teacher or authorized staff member, are required to attend detention on that day from 4:30pm 5:00 PM*
- ✓ *Students have until the next day to make up homework assignments in order to receive class credit.*
- ✓ *Each night, students will come home with their homework folder. There is a section that says “Stays at Home”. This is graded work for you to see or important notices that the school is sending home. You will see another section of the folder, which says “Return to School”. This is the homework that needs to be completed that night and sent back to the school in this folder.*

## Promotion

KIPP AMP ACADEMY students will be promoted or retained on the recommendation of the classroom teachers, as well as the consultation of the grade level team and the principal. This recommendation will be based upon the following criteria:

- ) Formative assessment data
- ) Summative assessment data
- ) Attendance
- ) Classwork
- ) Social/developmental characteristics
- ) Other pertinent data

Student retention is recommended when considered in the best interest of the student. Retention may be considered at any grade level. The decision to retain should be based on sufficient data gathered over time with the intention of placing the child in the grade level and educational program where he or she will ultimately be the most successful.

Students qualifying for special education will also receive consideration on a case-by-case basis in a manner consistent with the Individualized Education Plan (IEP).

Students may be retained in their grade at the end of the year for any one of, or combination of, the following factors:

- ) Failure to meet academic standards of readiness for the next grade: *[example: Students who fail (earn below 70%) a core subject (Reading, Writing, Math, History, Science) may be retained. Students who fail either the reading or math standardized test at the end of the year may be retained as well.]*
- ) Failure to meet adequate standards of attendance and lateness: *[example: Students who miss more than 25 days of school may be retained.]*
- ) Failure to meet behavioral standards of readiness for the next grade level: *[example: Students whose behavior has not shown adequate growth or improvement, or is not at a sufficient level, may be retained.]*

## Academic Integrity

---

### Honor Code

We expect all KAMS students to adhere to the highest standards of academic integrity. Every student will produce their own academic work and will neither receive nor give assistance without prior permission from the teacher.

---

### Academic Dishonesty- Cheating and Plagiarism

To be prepared academically for college one must be able to perform without cheating, plagiarizing, or copying another person's work. When using sources for papers and projects, students should properly use citations giving credit to the appropriate origin of information. Also, a student may not improperly assist another student on an assignment/test or allow another student to copy your work. Students who violate this policy will be subject to consequences consistent with KIPP NYC's suspension and discipline policy.

The consequences for academic dishonesty may include the following:

## SCHOOL-LEVEL POLICIES

### Cell Phones

We understand that some families may choose to provide their children with cell phones based on concerns about safety or convenience. However, it is the policy of KIPP NYC that students must store their phones and any other electronic devices out of sight during the school day.

Students may not use their cell phones out during the school day. If a school staff member sees or hears a student's cell phone, even if it is not in use, it will be confiscated immediately. KAMS has a right to collect all student phones at the beginning of the day, and secure them in a safe space until the end of the day.

**1<sup>st</sup> Violation:** A phone call is placed to the parent and the phone will be returned to the student upon dismissal.

**2<sup>nd</sup> Violation:** A parent or guardian is required to come to the school to pick up the cell phone.

**3<sup>rd</sup> Violation:** The student may not be in possession of a cell phone during the school day, even if the cell phone is not in use.

KAMS is not responsible for the loss, theft, or damage to cell phones confiscated as a result of a violation of this policy.

### Enrollment

Every year, beginning in the first week of January, KAMS will begin accepting applications for our fifth grade for the following year. Admissions preference will be granted to siblings, and students receiving free or reduced lunch living in District 17 as a 2<sup>nd</sup> priority. The lottery will be held the first week of April.

### Enrollment Documents Needed by the School

Upon enrolling at KIPP AMP ACADEMY, the following documents must be submitted for each student to the main office:

- Registration Form
- Emergency Form (given two times a year – update if you move)
- Lunch Forms
- Copy of Birth Certificate
- Proof of Address (Copy of a Phone Bill, Electric Bill, Lease, Gas Bill, etc)
- Immunization Records/Health Records
- IEP (individualized Educational Plan)/504 Accommodations (if applicable)

Home Language Survey (if applicable)

## Additional Documents Needed by the School:

Meal Form

**Please note: Meal Form must be provided for a student to receive a metro card.**

## Paychecks

**“Good things happen when you do the right things.  
Bad things happen when you do the wrong things.”**

One of the most important ways that you will be able to keep track of how your child is doing will be through a weekly personalized paycheck that will be given to students each Friday. This paycheck is used to give you a weekly idea of your child’s social and academic performance. Parents/guardians will be asked to review the paycheck with their students, sign it to show that they have seen it, and then students will need to return them on the next day of school.

## KIPP AMP Academy Middle School Paycheck System

The paycheck system is a behavior management system that allows students to earn credits based on behavior, display of character traits, and academics.

Paychecks are sent home every Monday from the previous week and require a parent signature. Paychecks also display current academic grades and attendance.

## Food Services

### Costs

All families must fill out a federal free/reduced lunch form in September. Families that qualify will receive free/reduced pricing for lunch. The full price for lunch is \$1.50 and is subject to change as New York City Department of Education policies change.

### Meals

Breakfast is optional each morning from Monday – Friday for all students. Breakfast will be served between 7:00 – 7:15 AM.

Lunch will be provided Monday – Friday for all students at no cost. Families are encouraged to send a bag lunch, if your child frequently chooses not to eat the school lunch offered. The school will be unable to assume responsibility for refrigerating or warming lunch brought from home.

In terms of other foods/beverages that are permitted at school, students are encouraged to bring water, 100% juice, fruits, and healthy snacks. Any unhealthy food or beverage options (i.e. cookies, coffee, hot chocolate, donuts, soda, drinks that are not 100% juice, etc.) are not permitted.

Lastly, please inform the school if your child has any food allergies. We also ask that you inform the school if your child will not eat the school breakfast and/or lunch on a regular basis.

## Transportation

We believe that “our children are always ours” and we take their safety seriously even when they are not in the school building. KIPPsters are expected to live up to high expectations, even when their families and teachers are not present. We appreciate your support in recognizing that the bus and the subway are important times to think about safety. In the event that there are safety issues with any students traveling to or from school, we will consider any action necessary to keep our children safe. In some cases, we may ask for families to pick up or drop off their children at particular times. We understand this decision might create travel difficulty for you; however, we need every student to adhere to behavior expectations for their own safety as well as the safety of everyone else. Disciplinary actions may occur even though the students are not on school property.

Students living more than ½ mile in distance from the school, but less than 1 mile, will receive a Reduced-fare Metro Card for public transportation. Students living greater than 1 mile from the school will receive a Full-fare Metro Card for public transportation. It is each student’s responsibility to hold onto the Metro Card. It is each student’s responsibility to hold onto the Metro Card. Students will receive a transportation pass the Friday prior to Saturday school. Parents are expected to pick up or make special arrangements for students remaining after school for Reflection/Work Hard Academy, tutoring, or special activities.

Parents must provide contact information for any person authorized to pick up their child. If the person picking up child is not the parent/legal guardian of the child, they must be a) given explicit written permission to pick up the child and b) be 18 years or older. Please speak to the main office if you have any concerns.

## Arrival and Dismissal

### Arrival

Students and families must remain outside the building until 7:00 AM. Students must arrive between 7:00 AM to 7:25 AM. All students will enter the school through the Sterling entrance. Students arriving after 7:26 AM are considered tardy. Upon entering the building, parents must sign in with School safety (must have proper ID) at the security desk and bring their child the main office.

### Dismissal

On Monday through Tuesday and Thursday through Friday, families are responsible for picking up students promptly at 4:00 PM. On Wednesday, the school day ends at 1:30 PM. All students will be dismissed through the Sterling Place exit doors.

*If your child remains at school for more than one hour after dismissal time on any school day, KIPP AMP Middle School reserves the right to take the following actions, at our discretion:*

- ) Per NYC Department of Education policy, a member of our staff may call the New York City Police Department and ask an officer to escort your child to the police station. Your child will then remain at the police station until you pick him/her up.*
- ) Report chronic lateness to ACS.*

## Field Lessons

Field lessons are one of the many ways we both provide students with new learning experiences, and reward students who are doing the right things. Students must earn field lessons through excellent attendance, effort, completed homework, and behavior. While some field lessons are experiential and open to all KIPPsters who demonstrate appropriate levels of safe behavior, *earned field lessons maybe taken away from students who do not earn them based on attendance, effort, homework, and behavior. Otherwise, trip attendance will be required.*

---

## Local Field Lessons

No child will be permitted to leave the school for a field lesson if they do not have written permission. Please sign all permission slips in a timely manner. Teachers will leave your child, under adult supervision, at the school if written permission was not received, if the child has not satisfied the requirements made by the teacher, or if the child is or has recently demonstrated unsafe behavior.

---

## Chaperones

We welcome parent chaperones on our field lessons throughout the year. Please let your child's homeroom teacher know if you are willing and able to chaperone a particular trip. We will honor volunteers on a first come, first serve basis. Preference will be given to families whose children have the fewest number of absences.

## Dress Code

---

### Uniform

teacher for safekeeping.

- b) The following items may not be brought to school: cell phones, iPods/iPads, or radios of any kind and electronic toys (PSP's, Gameboys, etc.).

---

### Consequences for Uniform Violations

Any accessory or article of clothing that becomes a distraction will be sent home with a note and will become a dress code violation if it is worn or brought back to school;

- ) Students who attend school dressed improperly will be required to call their parents/guardians to bring clothes meeting dress code requirements;
- ) Students will be given warnings on inappropriate accessories, if worn again they will be confiscated and returned to parents/guardians.

### Immunizations

According to the New York State Public Health, all students need to be appropriately immunized and have a physical examination each year.

New York State law also requires that all children entering elementary school be immunized against Diphtheria, Tetanus, Pertussis, Polio, Measles, Mumps, Rubella, 2 Hepatitis A, 3 Hepatitis B, and Varicella. If your child is 6<sup>th</sup> grade and is turning 11he/she should receive the TDAP shot.

Before a child can be permitted to enter and attend school (subject to the 14-day initial waiver requirement), parents or guardians must present documentation that their child has received all required doses of vaccines or that their child has received at least one dose of each of the required vaccines and is waiting to receive the subsequent doses at the appropriate time intervals. KAMS must receive a certificate of immunization no later than **August 22, 2016**. These requirements can be waived only if a properly signed health or religious exemption is filed with the school.

### Student Health/Sickness Policies

If your child is going to miss school because of illness, please call the school as soon as possible. All student absences should be followed up the next day with a note signed by a parent, guardian or doctor. KIPP staff will call to verify all student absences. Please let the main office know if there are any medical concerns or special circumstances of which we should be aware.

---

### Illness During School Hours

If a child becomes ill or injured during the school day and is not well enough to stay in class, the parent/guardian will be called to pick the child up. It is necessary to have updated emergency contact numbers on file in the school office in case no one can be contacted at home. If the person picking up child is not the parent/legal guardian of the child, they must be (a) given explicit written permission to pick up the child and (b) be 18 years or older.

## Medication

No medication can be administered or consumed at school unless both a doctor and a parent/guardian have completed the appropriate forms. KAMS strongly encourages families to dispense both temporary and maintenance medications outside of school hours. Ask your physician for a medication schedule that will accomplish this. In those few cases where this is not possible, please bring in the medication to the main office.

Medication may not be given without the completion of the Medication Administration Form (MAF), which must be completed by a healthcare provider. Families can get a copy of this form by calling or stopping by the school. This policy and the requirement to have a form on file apply to all medicine, including aspirin, Tylenol and other over-the-counter medicines. Staff members at the school are NOT authorized to administer medication.

The medication needs to be in the original container with the appropriate prescription label (including the name of the student, the name of the medicine, the date, the dosage information, and directions for administering the medication) and the appropriate Student Health Authorization for Administration of Medication Form. We store and administer the medicine in a secure location. Please be aware that the medication cannot travel back and forth to school – once it's given to us for your child's use, it must remain with us until it needs to be refilled. Therefore, we strongly encourage you to ask for two separate prescriptions when at the doctor's office with your child. Students are not allowed to have medication (prescription or non-prescription) of any kind in their possession at school and it should not be placed in their book bags. Adults should bring the medication to the nurse. For further information on medication or any health related issues, please contact the main office.

Students with asthma should bring an inhaler prescribed by their doctor to school each day. Asthmatic students should notify a KIPP staff member as soon as breathing becomes difficult. If there are any concerns about medicine, allergies and overall health, please let the main office know.

Please notify the main office know if your child has any food allergies, so that we provide your child with the necessary accommodations.

## Emergency Services

As a school, the safety of all of our students, staff members and families is of the utmost importance. If an emergency arises that requires urgent medical attention which the nurse cannot attend to, we will call 911. We will immediately then call all contacts on the emergency contact list until we are able to speak with someone who can meet us at the school or the hospital. If a family member cannot make it to the school, a staff member will accompany the student to the hospital and will remain with them until the family member arrives. KIPP AMP ACADEMY is not financially liable for any emergency medical services.

## Counseling

The Social Workers and Counselors at KAMS are available to help any student or parent address any social, emotional, or academic issue they may be facing. In addition, our social workers/counselors help students work through and cope with personal and school related stress. At KIPP, every student is

entitled to counseling support and referral services. Counseling support is also extended to KIPP families in need.

There are several ways in which students may be referred for counseling services:

- ) If a parent is interested in having their child seen by one of our Social Workers please contact our Special Education Director Marjorie Charles at [MACharles@Kippamp.org](mailto:MACharles@Kippamp.org)
- ) Students are able to ask directly to speak with one of the social workers on staff
- ) A student may also be referred at the recommendation of a teacher, social worker or principal

Please understand that we are required to respect the rights and privacy of our students and families and as a result all information and counseling services are confidential and cannot be shared (except in instances required by law).

### MANDATORY LEGAL POLICIES

#### KIPP NYC Code of Conduct

KIPP NYC is committed to maintaining safe and orderly learning spaces for all KIPPsters. In collaboration with students and teachers KIPP NYC has created a Code of Conduct which identifies certain behaviors that are punishable by suspension from class or school. Suspension is a serious consequence. Suspended students will not be allowed to participate in any non-core instructional school activities.

KAMS partners with families to use a variety of discipline and behavior management techniques to avoid suspension of any type whenever possible. We commit to communicating directly with you whenever there are concerns. Sample student consequences could include afterschool and lunch detention, or withholding participating in a special event. We also try to reinforce positive student behaviors through tools such as KIPP Community Circle and Paychecks.

Our staff are trained in techniques such as Collaborative Problem Solving, Therapeutic Crisis Intervention and Love and Logic which help us to build relationships with students and deescalate difficult situations. Our teachers, Deans and counseling staff work collaboratively with students and families to support students through the consequences of negative actions.

In determining appropriate discipline, consideration will be given to the student's age, maturity, previous disciplinary record, the circumstances surrounding the incident and, if applicable, the student's IEP, BIP, or 504 Accommodation Plan. In addition, consideration shall also be given to whether, because of the student's grade, the removal will result in the student being removed from their appropriate grade-level classroom for a single class period or for the entire day. Any removal which extends for multiple class periods will be tracked centrally by the school.

Parents and families are welcome to access additional information about KIPP NYC's Code of Conduct at any time by contacting our main office.

In accordance with The New York Citywide Standards of Discipline and Intervention Measures (The Discipline Code), all KIPP students have the following rights:

- ) the right to a free public school education

- ) the right to express opinions, support causes, organize, and assemble to discuss issues and demonstrate peacefully and responsibly in support of them, in accordance with policies and procedures established by the New York City Department of Education.
- ) the right to be treated fairly in accordance with the rights set forth in the “New York Citywide Standards of Discipline and Intervention Measures.”

Insistence on reasonable and responsible behavior from every student is essential to ensuring that the aforementioned rights can be preserved. In accordance with the discipline code, violation of these may lead to disciplinary measures. Acceptance of responsibility will provide students with greater opportunity to serve themselves and society by learning from mistakes.

---

## Removal of Students from Classrooms by Teachers

When a student engages in behavior which is substantially disruptive of the educational process or substantially interferes with a teacher’s authority over the classroom, the student may be removed from the classroom by the teacher. The teacher must inform the principal or another member of the School Leadership Team (Principal/designee) of the removal no later than the end of the school day. During the period of removal from class, the child will be present for the full school day and be provided with on-site supervision as well as the opportunity to continue with schoolwork.

---

## Suspension

Suspension may be short-term or long-term, depending on the severity of the offense and whether or not the student has previously been suspended for the same offense:

The following conduct is punishable by short-term or long-term suspension, whether it occurs on campus, in the vicinity of the campus, on field trips, on any school sponsored activity, or on school buses.

- ) Assault of fellow student
- ) Endangering the physical safety of another by the use of force or threats of force that place the victim in fear of bodily injury
- ) Conduct which disrupts school or classroom activity or endangers or threatens to endanger the health, safety, welfare, or morals of others
- ) Insubordination
- ) Failure to comply with disciplinary sanctions
- ) Cheating on quizzes, exams, or plagiarism
- ) Use of forged notes or excuses
- ) Theft, or attempted theft, or possession of property known by the student to be stolen
- ) Extortion
- ) Gambling
- ) Abuse of school property or equipment
- ) Obscene or abusive language or gestures
- ) Verbal or physical harassment based on gender, race, ethnicity, religion or disability

- ) Bomb threat or false emergency alarm
- ) Possession of tobacco or alcohol
- ) Possession of pagers, beepers, or portable/cellular telephones not being used for instructional purposes
- ) Inappropriate, insufficient, or disruptive clothing or attire, or other violation of the KIPP Student Dress Code
- ) Making a material false statement – i.e., lying about an important matter -- to a teacher, principal, or other school personnel.

Alternative Instruction will be provided during any period of suspension. Alternative Instruction may be provided either in school or off-site.

---

### **Short –term Suspension with On-site Alternative Instruction: Not to Exceed Ten School Days**

Because we believe that students can benefit from instruction in a school setting even when suspension is an appropriate disciplinary response, we provide alternative instruction for suspended students within the school setting unless the severity of the conduct leading to the suspension makes immediate return to school inappropriate or the School does not have adequate facilities or staff to provide a supervised alternative program. To the extent possible, the alternative in-school instruction program will be hosted at the Student’s home school or another KIPP schools with adequate facilities. The alternative program will provide counseling support and the same or substantially similar academic curriculum that students would receive if attending regular classes. Alternative instruction will be provided for at least two hours per day.

---

### **Short-term Suspension with Off-site Alternative Instruction: Not to Exceed Ten School Days**

If the School does not have adequate facilities for in-school alternative instruction or if for any other reason, the student’s presence in the school causes a risk of continuing disruption or a risk of danger for the student or others, the Principal may direct that the alternative instruction be provided off-site.

---

### **Long Term Suspension: 10 days or More**

As with short-term suspension, alternative instruction may be provided in-school or outside of school, depending on the facilities in the school, the severity of the conduct which led to the disciplinary proceeding and whether return to school can be safely accomplished without continuing disruption or danger to the student or others.

A student who commits any of the infractions listed below will be subject to suspension for ten days or more.

- ) Possession within school, on school grounds, on school buses or during any school activity, of any weapon identified in the Citywide Standards of Intervention and Discipline Measures as a Category I or Category II Weapon, including any firearm, air gun, imitation gun used to threaten others, knife, razor blade, explosive, mace, tear gas, or other dangerous object
- ) Arson on school property, whether accomplished or attempted

- ) Possession or use of illegal drugs or controlled substances within school, on school grounds, on school buses, or during a school activity
- ) Selling, distributing or purchasing illegal drugs or controlled substances within school, on school grounds, on school buses or during any school activity
- ) Assault of another student resulting in bodily injury or any assault on a staff member
- ) Intentionally causing bodily injury to another person, except when student's actions are reasonably necessary to protect him or herself from injury
- ) Causing major damage to school property.

In addition, as noted above, a student who commits any of the acts previously described as punishable by short term-suspension may also be subject to a long-term suspension at the Superintendent's discretion based on the severity of the offense or whether the student has previously been suspended for the same or a similar offense.

---

### **Expulsion: Permanent Removal from KIPP and Transfer to Another Setting**

KIPP is committed to continuing to work with students who have engaged in conduct which leads to long-term suspension. Alternative instruction will be provided during the period of suspension and efforts will be made to successfully transition the student back to the School community after the period of suspension is concluded.

If, however, a student during the period of long-term suspension or after he or she has returned to school following a long-term suspension engages in additional acts which threaten the safety of individuals in the school community, the Superintendent of Schools may initiate procedures leading to expulsion of the student and permanent separation from the KIPP community.

Cases which may trigger the Hearing Officer's recommendation of expulsion would include suspensions for weapons, gangs, sexual assault, extreme acts of violence against a person, and repeated drug offenses that harm the school community.

#### **Procedures for Expulsion**

Procedures for Long-term suspension will be followed, but if the Principal/Designee determines that long-term suspension may be warranted and that such suspension will be the second long-term suspension for the Student, a finding of guilt by a hearing officer may result in a recommendation for expulsion. Written notice of the charges and hearing procedures will advise Parents and Student that the hearing may result in such recommendation.

At the hearing, the student shall have the right to:

1. Be represented by counsel;
2. Confront and cross-examine witnesses supporting the charge; and
3. Call her or his own witnesses to verify her/his version of the incident.

If the Parent is dissatisfied with the determination of the hearing, the Parent can use the complaint procedure described below to appeal from this determination.

The Superintendent or other Hearing Officer may, upon a finding of guilt, recommend to the Board of Trustees that the student be immediately suspended for the balance of the school year and, in addition, permanently expelled. The final decision concerning expulsion, based upon a review of the record of the proceedings and the Student's past disciplinary history, will be made by the Trustees in Executive Session at a Regular or Special Meeting of the Board. Pending review of the Expulsion recommendation, the Student will remain on long-term suspension.

## Discipline for Students with Special Needs

Students with disabilities have the same rights and responsibilities as other students, and may be disciplined for the same offenses. Discipline of a student with a disability (whether the disability has been formally identified by a Committee on Special Education or is simply suspected) will be consistent with federal and state laws and may be adjusted to reflect individual needs.

In the case of a special education student, or a student who receives 504 accommodations, KAMS will ensure that it makes the necessary adjustments to comply with the mandates of state and federal law, including the IDEA and Section 504 of the Rehabilitation Act of 1973, regarding the discipline of students with disabilities. Prior to recommending discipline for a Section 504 or special education student, the Principal/Designee will convene a review committee to determine: whether the student's misconduct was a manifestation of his or her disability; whether the student was appropriately placed and receiving the appropriate services at the time of the misconduct; and/or whether behavior intervention strategies were in effect and consistent with the student's IEP or 504 plan. If it is determined that the student's misconduct was not a manifestation of his or her disability, that the student was appropriately placed and received appropriate services at the time of the misconduct, and that appropriate behavior intervention strategies were in effect and consistent with the student's IEP, the student may be disciplined in accordance with KIPP NYC's Code of Conduct, as stated in our charter documents.

If you would like additional information about disciplinary procedures for students with special needs, we welcome you to reach out directly to Marjorie Charles at [MCharles@Kippamp.org](mailto:MCharles@Kippamp.org).

## Bullying

All KIPPsters should feel safe and welcome at school. We have a Zero Tolerance Policy against acts of harassment, discrimination, or bullying. This includes behaviors that take place outside of school if they harm others or disrupt scholars' education.

We are all responsible for stopping harassment, discrimination, and bullying before and when they happen.

In general, bullying:

- ) Is targeted and repeated
- ) Involves a power imbalance
- ) Creates a hostile environment
- ) Has substantial negative consequences

Harassment, discrimination, and bullying can be behaviors that are physical, verbal, social, and/or cyber (internet). Here are examples of harassing or bullying behaviors when targeted and repeated:

Physical: hitting, kicking, pinching, pushing, or damaging/forcibly taking others' property

Verbal: Name calling, put-downs, making threats, teasing, or spreading harmful rumors

Social: Deliberately harming another scholar's friendships or relationships

Cyber (internet): distributing text messages, pictures, postings, or emails that hurt or embarrass others

Respect toward others is one of our most important principles. You should always treat others as you would want to be treated. It is never okay to engage in harassing, bullying, or discriminatory conduct.

You are responsible for your own actions, even if everyone else is acting in an inappropriate manner. While you don't have to be friends with every single scholar at school, you do have to be respectful at all times.

Tell your teacher, your school's Dignity Act Coordinator (or Dean), a leader, or another adult (including a parent/guardian) right away if you believe you are being harassed, discriminated against, or bullied, or if you believe someone else is. Your school's principal/designee will make sure the school investigates and puts a stop to any harassment, discrimination, and bullying. Parents/guardians may also report potential acts of harassment, discrimination, or bullying to teachers and administrators. Reports may be made orally or in writing.

KIPPsters may be disciplined (including suspension and/or other consequence) for violating this policy.

There will be no retaliation against anyone who, in good faith, reports or assists in the investigation of potential acts of harassment, discrimination, or bullying.

## Technology Use

Technology can be a great learning tool. However, KIPPsters should use technology safely and responsibly.

By "technology" we mean computers, tablets, phones, mobile devices, the Internet, social media (which includes Facebook, Twitter, and others), blogs, email, chat rooms, and other online services.

This policy covers the use of ANY technology (not just technology owned by the school), including off-campus use and use of social media, which could disrupt the school or KIPPsters' education and/or interfere with others' rights. This policy is meant to be representative, and does NOT cover every single situation.

BE SAFE

BE APPROPRIATE

BE RESPONSIBLE

If you violate this policy, you may lose technology privileges or be subject to other disciplinary consequences. KIPP NYC can monitor the use of its technology at any time. KIPP NYC may also use filtering software that blocks inappropriate content and/or websites.

## Acceptable Internet Use Agreement

Student use of the Internet at KIPP NYC is a privilege. KIPP NYC students agree that they will not participate in any of the following activities when using the Internet:

- ) Sending or displaying offensive pictures, using obscene language, or harassing, insulting, threatening or abusing other network users (cyber-bullying); Any activity that encourages the use of drugs, alcohol or tobacco, or that promotes any activity prohibited by law or KIPP policy;
- ) Posting, sending or displaying any personal identification information of anyone under 18;
- ) Using the Internet for financial gain;
- ) Damaging or disrupting equipment, software or system performance;
- ) Using others' passwords or accounts;
- ) Posting anonymous messages or messages with a false identity;
- ) Trespassing in or deleting files, info, or data that does not belong to you;
- ) Downloading or printing files or message that are profane, obscene, or that use language that offends others;
- ) Playing unauthorized games;
- ) Computer piracy, hacking, or any tampering with hardware or software;
- ) Using the Internet for any illegal activity, including violation of copyright or other laws;
- ) Activities that allow a computer or network to becoming infected with a virus or other destructive influence.

Violation of this agreement could result in loss of a student's online privileges, or other disciplinary action. Note that student behavior on social media that violates KIPP NYC's Internet Use Agreement or Bullying Policy is also subject to disciplinary action consistent with our Code of Conduct.

## FERPA

The Family Educational Rights and Privacy Act (FERPA) is a federal law that grants parents five basic rights regarding their child's school records:

- ) The right to review your child's education records.
- ) The right to challenge any false or misleading statements in the records.
- ) The right to require the school to get written permission to disclose personal information in the record, except in those cases allowed by law.
- ) The right to be informed of your rights under FERPA.
- ) The right to file a complaint when these rights have been denied.

FERPA grants these rights to a student's parents, including non-custodial parents or parents who do not live with their children, unless a court order forbids it. When a child turns 18, the parents' rights under FERPA transfer to the student.

At KIPP NYC, our teachers regularly use student assessment data to improve their teaching practice and learn from one another. To this end, teachers use and share student achievement data across our schools.

If you would like additional information about FERPA, we welcome you to contact Eric Zirlinger at [EZirlinger@Kippamp.org](mailto:EZirlinger@Kippamp.org)

## MANDATED REPORTERS

Preserving the safety and wellbeing of every KIPPster is central to the work of KIPP NYC. If at any time a KAMS employee becomes aware that a student may have been harmed or is in danger of being harmed—physically, sexually, or through neglect—and that a caregiver either committed the harm or should have taken steps to prevent the child from harm, he or she is required by law to notify his or her Principal/Designee of the situation. The school is legally required to report the behavior or incident to NYC Administration for Children’s Services. Teachers must also refer students to the Principal/MD if they exhibit signs of hurting themselves or others.

## SPECIAL RULES RELATING TO THE DIGNITY FOR ALL STUDENTS ACT (DASA)

Upon receipt of a report of a material incident of harassment, bullying, and/or discrimination, the Principal shall take prompt action to intervene. Intervention may include one or more of the following:

- 1) Initiating disciplinary proceedings, as above, and/or engaging the student who has done the bullying in a reflective activity such as writing a statement about the misbehavior and how it might affect others;
- 2) Providing supportive intervention and mediation to assist in conflict resolution;
- 3) Assigning adult mentors to the student who has been bullied and to the student who was responsible for the conduct;
- 4) Arranging class discussions or school meetings to re-emphasize behavioral expectations; and/or
- 5) Referring any student who has been a victim of bullying to counseling; notifying parents of all students involved.

Retaliation against any student or teacher who reports or assists in the investigation of harassment, bullying or discrimination is strictly prohibited and will be subject to disciplinary measures.

KAMS will provide training to staff each year on DASA and its zero tolerance policy against harassment, discrimination, or bullying.

## COMPLAINTS SUBMITTED TO THE BOARD OF TRUSTEES

Any parent or legal guardian may bring complaints to the Board of Trustees of KAMS to allege a violation of law or the charter. Information about Board meetings can be found on our website at

<http://www.kippnyc.org/>. KIPP NYC Board meetings are open to the public, and we invite families to join.

This complaint procedure may be used to appeal from a decision to suspend a student. Such appeal must be filed within thirty days of a suspension and be submitted to the Board of Trustees at least two weeks prior to the next Board meeting. Complaints submitted later will be addressed at the subsequent meeting of the Board of Trustees. Emergency issues will be dealt with on an as-needed basis, with the Board responding at or prior to its next regular public meeting. Every effort will be made to respectfully address each matter to the satisfaction of the individual or group that presented the complaint. The Board, as necessary, shall direct the Principal or other responsible party to act upon the complaint and report to the Board. The Board of Trustees shall as necessary render a determination in writing.

If an individual or group filing a complaint to the Board of Trustees, including an appeal of a suspension decision, is not satisfied with the way that the Board has addressed the complaint, that individual or group may present the complaint to the charter authorizer, which shall investigate and respond. If the individual or group is not satisfied with the actions of the authorizer in reviewing the complaint, further appeal may be made to the Board of Regents of the State of New York, which shall investigate and respond.
