ABOUT KIPP Infinity Elementary

1. What is KIPP Infinity Elementary?

KIPP Infinity Elementary is a free, public charter school that prepares students for success in college and life. We are relentlessly focused on results – academic results, character development, and the outcomes that ultimately matter most: graduating from high school and college, embarking on a career and becoming self-sufficient and happy. KIPP's success is rooted in a few core principles that guide everything we do:

- **High Expectations.** We believe that all of our students are capable of remarkable learning and growth and that our talented team can and will find a way to achieve those results.
- **More Time.** There are no shortcuts at KIPP. Our day starts earlier and ends later than at other schools. We hold half-day classes on many Saturdays as well as summer school for all students.
- **Character Counts.** We believe that success in school and in life depends on character. During each school day, in every lesson and every interaction, we focus as much on developing character – traits such as zest, grit, self-control, hope, love, gratitude, social intelligence and humor – as we do on academic preparation.
- **Through College – and Beyond.** A dedicated KIPP Through College team supports our students after they graduate KIPP NYC schools – to help them meet the challenges of getting a college degree and becoming successful professionals. We deliver education for life.

ABOUT THE LOTTERY PROCESS

1. Do you have to apply to get into KIPP?

KIPP Infinity Elementary Charter School is a public school open to all New York students that are incoming Kindergarten students. The only information needed to enter the KIPP lottery is the student's name and contact information. No test scores, grades, recommendations, or behavioral history will be taken into consideration. All applications must be received by **April 1st at 12:00pm (noon)** via mail, online at www.kippnyc.org/enroll, or in person.

2. How does the lottery work? Do I have to attend the lottery? How will I find out if my child was selected in the lottery?

KIPP Infinity Elementary plans to enroll 100 incoming kindergarteners, including siblings and returning students. If the number of families interested in attending the school exceeds the number of students we can serve, then we will conduct a lottery on **April 7th, 2015**. All students entered into the lottery will have their names drawn by an independent auditor. Open slots will be filled in the following order:

1. Returning students
2. Brothers/Sisters of Current KIPP NYC Students (must attend the same KIPP NYC school)
3. Applicants Eligible for Free or Reduced Lunch and Residing in the Community School District
4. Applicants Eligible for Free or Reduced Lunch and Not Residing in the Community School District
5. Applicants Not Eligible for Free or Reduced Lunch and Residing in the Community School District
6. Applicants Not Eligible for Free or Reduced Lunch and Not Residing in the Community School District

Upon submission of the application, applicants will have the opportunity to document their free and reduced price lunch eligibility. Families do not need to be present at the lottery. Students will be contacted by phone in the order they were drawn until all open slots are filled.

3. Do you accept applications for 1st – 4th graders?

While there will be a lottery for 1st -4th grade students, we anticipate that there will be few, if any, open seats.

4. Can I enter my child's name in more than one KIPP NYC lottery?

5. Can I enter the lottery more than once?

No. Each child may only enter once. Any duplicate applications will be removed prior to the lottery.

6. If I entered the lottery last year, do I need to enter again?
