### ABOUT KIPP Washington Heights Middle

#### **1. What is KIPP Washington Heights Middle School?**

KIPP Washington Heights Middle School is a free, public charter school that prepares students for success in college and life. We are relentlessly focused on results – academic results, character development, and the outcomes that ultimately matter most: graduating from high school and college, embarking on a career and becoming self-sufficient and happy. KIPP's success is rooted in a few core principles that guide everything we do:

- **High Expectations.** We believe that all of our students are capable of remarkable learning and growth and that our talented team can and will find a way to achieve those results.
- **More Time.** There are no shortcuts at KIPP. Our day starts earlier and ends later than at other schools. We also hold summer school for all students.
- **Character Counts.** We believe that success in school and in life depends on character. During each school day, in every lesson and every interaction, we focus as much on developing character – traits such as zest, grit, self-control, optimism, love, gratitude, social intelligence and curiosity – as we do on academic preparation.
- **Through College – and Beyond.** A dedicated KIPP Through College team supports our students after they graduate KIPP NYC schools – to help them meet the challenges of getting a college degree and becoming successful professionals. We deliver education for life.
