

How to Launch Zearn from Clever

For Students, Teachers, and School Admins

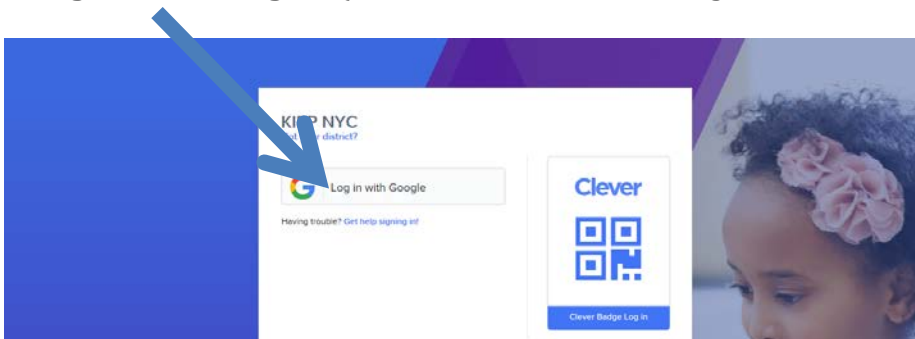

Clever's Instant Login allows students, teachers, and sometimes School Admins to launch certain student software applications from KIPP NYC's Clever Portal at www.clever.com/in/kipponyc. Applications include Lexia Core 5, Keyboarding Without Tears, Zearn, and CodeMonkey, with more coming soon. To log into the Clever Portal, use KIPP NYC Google Apps For Education credentials.

How To Launch Zearn from Clever

1. Navigate in your browser to www.clever.com/in/kipponyc.

- Students can access this site by clicking the Home icon on the Chrome browser.
- Staff can access this site by clicking the Favorite called "KIPP NYC Clever Portal" or by bookmarking this site in their personal favorites.

2. Click "Log In With Google." (Students in K-2 can also log in with their Clever Badges if they are on campus.)

3. Enter your credentials.

- For students – enter the student's KIPP NYC username and password, which can be located by a teacher or school staff member in the Personalized Learning report on Schoolzilla.
- For Teachers and School Admins – enter your KIPP NYC Google Drive username and password.
